

L.E. REINSBOROUGH SCHOOL

WELCOME

BIENVENUE PJILA'S

Our purpose is to ensure student learning

Spooktacular Halloween

Goblins, ghouls, witches and warlocks roamed our school on Friday October 31st. The day was filled with a variety of school activities.

The day kicked off with our monthly student of the month school assembly. Congratulations to all the students who were recognized for all their hard work. Keep up the awesome work boys and girls!

This Halloween there was a Haunted House walk in the gymnasium. And we have to say it was a big hit with our school community. Big thanks to Miss Tiffanie and everyone who helped plan and decorate the haunted house. We would also like to say thank you to all the homeroom classes who helped make decorations for the haunted house and to those who donated decorations for the event.

The day ended with a sock hop in the gym and even better students got to perform the dance thriller. Halloween day at the school was a big hit! Looking forward to many more fun and exciting school activities.

Annual Terry Fox walk

Our annual Terry fox walk took place September 24th 2014. Thank you to our local the RCMP and Firemen for escorting our school community during our walk.

We would like to say thanks to Miss Lori Johnson and French immersion students from DRHS who accompanied our school on our walk.

Thank you to all our L.E.R families who came out and participated in our walk.

Credit Union visit

Madame Jane and her grade three French Immersion class had the opportunity to visit the credit union during the month of October. The visit went hand in hand with the grade 3 math curriculum. Students got to see what a thousand dollars looked like in toonies, loonies, 20 dollar bills, 10 dollars bills and five dollar bills. Students got to help roll and wrap money.

At the end of their visit the Credit Union was so kind and handed out a little gift bag to each student. Thank you Credit Union for inviting L.E.R students to visit your bank.

Open House

We had our annual open house event in September. Students and families were invited to join our school staff for hot dogs and drinks. Afterwards an assembly took place and parents had an opportunity to meet their child's teacher.

Big thanks to our wonderful staff who helped organize the event. It was a great opportunity for friends and families to socialize with one another.

Geocaching

Back in September we had a special visitor stop by our school who had a really fun activity planned for our grades 3, 4 & 5 students.

Mrs. Lesa Scott from the district visited our school for two days to introduce Geocaching to students.

Geocaching is an outdoor activity that requires participants to use a Global Positioning System (GPS) device to hide and seek special containers, called "geocaches" or "caches", anywhere in the world.

Mrs. Scott and Miss Tiffanie hid caches all around the school yard and then students were assigned to groups. Each group had a couple GPS units that are key in helping participants find their caches.

We would like to thank both Mrs. Scott and Miss Tiffanie for organizing this fun school activity. Students are looking forward to do some more geocaching in the spring.

Wakey Wakey News

This is Kamryn and Jamie broadcasting live from the wakey wakey news headquarters.

Currently, we are the host of the Wakey Wakey news. Our job is to deliver the daily morning announcements to the school community. The goal is to deliver up to date announcements and keeping the school community on the same page.

We would like to thank Miss Tiffanie for giving us the opportunity to be a part of the wakey wakey news crew.

Scholastic Book Fair

The L.E.R annual Scholastic Book Fair is coming to our school this upcoming November 19—21, 2014. Students will have the opportunity to visit the Book Fair during class time during that week and will have the opportunity to purchase books.

We are always looking for volunteers to help out during the Book Fair. Notices have been sent home and any parents/guardians interested in volunteering you can return the volunteer slip back to school with your child.

Looking forward to seeing everyone at the Book Fair!

Noon Hour Activities

Noon hour activities are back up and running for the 2014-2015 school year. Students have a variety of activities to choose from which is really great because that means students have a choice to go outdoors or head down to the gym to participate in the activity of the day.

This year we have lots of new noon hour activities to choose from such as dodgeball, soccer baseball, soccer, basketball, lacrosse, dance and a variety of organized gym games. Because of the variety of choices there are more students participating in the noon hour activities.

Keifer and I are both really enjoying the activities especially having the opportunity to play soccer. We both think that the noon hour activities are AWESOME! Big thanks to Miss Tiffanie for organizing all the noon hour activities. :)

L.E.R News Letter Committee

I would like to take this opportunity to introduce our news letter committee for the 2014-2015 school year.

The committee is made up of a mix of grade 4 and 5 students. We have a total of 8 students who sit on the news letter committee and their responsibilities vary from writers to photographers. Some students are assigned to writing pieces for the paper and other students are assigned to take pictures for the paper.

With no further a do, I would like to introduce our members of the news letter committee in no particular order... Madison Pollock, Andrew Doherty, Keifer Jerome, Kamryn Mulcahy, Jamie Benoit, Alysha Smith, Jenna Guitard, Marissa Mallais and Nathan Doherty. Lets give these students a big round of applause for all their hard work and an awesome job on their first news letter of the school year.
